Spearfish, South Dakota

for the
2013 Sturgis Motorcycle Rally

Black Hills
State University

~Transforming Lives~

My Neighbors?

As you may already know, the Rally attracts a wide variety of people. While personalities vary, a common value is shared: have fun and respect others. We like this concept very much. You see, we have a rather small, happy, and peaceful campus here. And yes, we'd like to keep it this way.

Based on past years' experience, we've noticed a few things about the Rally participants who choose to stay with us - they love to have fun, but they also love to have a peaceful, dry, and comfortable place to stay. Imagine, all this and hot showers too! Our guests also tell us that they don't mind the fact that we have a "dry" campus. Yep, alcohol is not permitted on campus, this includes the residence halls. Please enjoy the spirited beverages off-campus. There are several bars and restaurants within walking distance.

Reminders: No pets allowed. All residential facilities are non-smoking. Reservations are non-transferable.

Why So Cheap?

In exchange for a reasonably priced room, we ask you to keep your expectations of us reasonable. You'll receive warm hospitality and a comfortable place to stay - but "it ain't the Ritz!"

In case you were wondering... most of the rooming proceeds go directly to physical improvements of the residence halls. Our resident college students benefit from your dollars.

Special Needs?

If anyone in your party needs special accommodations because of a disability, make sure you list that on the "Room Preference" line of the reservation form (other side of this brochure). We have a few ADA-accessible rooms on the first floor of each of our buildings and rent them by request (until filled). If you let us know about your needs, we'll do our best to accommodate them!

Your Host BHSU

Welcome to Black Hills State University. We are located in Spearfish, which is in the northern portion of the beautiful Black Hills. Spearfish is only 17 miles from Sturgis and it's interstate all the way! Vroom, Vroom!!

Once again, BHSU will offer on-campus housing to the public during the Sturgis Rally. Should you decide to stay with us, you will be housed in a non-air-conditioned residence hall room. However, most common areas are air-conditioned and there is a fan in EVERY room! Room capacity is limited to 2 people. Anyone under the age of 18 must be accompanied by an adult aged 21 or older.

All rooms are furnished with two long-length twin beds, dressers, desks, chairs, and a sink. Room size is approximately 12'x14'.

Bedding and towels are included in the room price. This service has been added for your convenience. No more mailing linen ahead and no trying to find space on your cycle.

Community bathrooms (complete with toilet, sink, and shower area) are located on each floor. Bathrooms on each floor are designated by gender.

Ample parking for your bike, trailer, and vehicle is available. Except for Wenona Cook, you can park next to your residence hall. Also, elevator service does not exist in any hall.

The residence halls are staffed 24-hours a day, check-in anytime of the day - or night. We'll keep the lights on!

By the way, our campus has night security staff and police patrol.
